

PRESS RELEASE

IWTO Country Summit *Russia*

IWTO Country Summit Russia – Discover the Great Potential of the Russian Textile Market

Brussels/Moscow (15.07.2005)

Registration is open for the IWTO Country Summit Russia that will take place in Moscow on September 7-8, 2005, organised by International Wool Textile Organisation.

The programme of the Summit offers a wide range of prominent international and Russian speakers, representing all stages of the wool and textile industry.

The event, which will be held parallel to *Interstoff Russia*, is analysing and developing the possibilities for companies to improve business in the promising Russian market. Sessions about the Russian situation of the textile industry, textile education, innovations in the field of textile machinery, processing, spinning and weaving, testing and services will be presented by the various speakers.

A special session is presenting the ultimate trend forecasts by leading Russian and international designers and stylists.

The *IWTO Country Summit Russia* is the perfect platform for business contacts with the Russian wool and textile industry, including interesting neighbouring countries like Kazakhstan, Kyrgyzstan, Ukraine, and Belarus.

For more information about the Country Summit as well as the registration please contact Mrs. Marzena Oscilowska: office@iwto.org
