

IWTO Market Information 2010 Released

Brussels, 13.10.2010

IWTO is pleased to announce the release of the Edition 2010 of the annual publication "***IWTO Market Information***".

The new edition of the IWTO Market Information contains as usual all relevant data about the international wool and textile industry.

This year's edition includes new information and statistics.

IWTO has expanded the coverage of animal fibres to include the production of alpaca, angora, cashmere, mohair, camelhair, yakhair, llama, vicuna and guanaco in the past twenty years. Also, we have prices for six other animal fibres (in addition to wool prices), including cashmere, mohair and alpaca, since July 2006.

For order information and an index overview please see this page:

For further info, please contact the IWTO head office under info@iwto.org

IWTO is the international body representing the interests of the world's wool textile trade and industry. Our multi-national membership includes woolgrowers, traders, primary processors, spinners, weavers, and garment manufacturers, together with retailers and other companies involved in wool related businesses.
