

IWTO Event in Brussels

Brussels, 16.02.2009

As part of the activities of the "IWTO Lobby Projects" for developing market access for wool, IWTO is organising an event in Brussels, targeting EU officials, government officials, embassies, association, NGOs, press and other stakeholders.

The event, which will be held under the roof of the "International Year of Natural Fibres 2009", will take place in the famous 'Renewable Energy House' in Brussels.

Presentations on wool and natural fibres will be made, marking the "International Year of Natural Fibres 2009" and officially launching the new "Roadmap of the Wool Industry" which will be published soon.

For further info, please contact the IWTO head office under media@iwto.org

IWTO is the international body representing the interests of the world's wool textile trade and industry. Our multi-national membership includes woolgrowers, traders, primary processors, spinners, weavers, and garment manufacturers, together with retailers and other companies involved in wool related businesses.
